27 December 1944

TO : Public Works and Utilities Sub-Commission
SUBJECT : Monthly Report.

There has been no change in the status of Public Works and Utilities in Lombardie Region. It is still in the planning stage and other than the Regional Engineer attending several Conferences on North-West Italy, nothing of importance has transpired during the month of December.

The Region has a forward and a rear headquarters, however the majority of officers are on temporary duty elsewhere. No Public Works or Utility personnel is present with either headquarters.

The Regional Engineer Lt.Col.C.P.BOLICK is on temporary duty with the engineering section Lazio-Umbria Region, and Maj. A.W. Cromther, the Utilities Officer is on temporary duty with AMG 5th Army. No other officers have reported to the Region for duty.
