Sir,

I have to report that at home on the 20 June, 1945, at about 1330 hours, I was on duty in Via Albalonga, accompanied by L/Cpl Roden, CM Police, where I saw a WD Ford 15cwt parked unattended. I examined the vehicle and discovered it to be mobile.

I kept observation upon this vehicle until I was approached by the above named Italian civilian who stated he was the driver. I obtained and verified his particulars and informed him that he would be reported and allowed him to proceed;
