Report of Accident
Jeep No. U.S.A. 20105389-S
(Public Works Vehicle No. 190)

Accident occurred near town of Pontedera, about 4 miles from Leghorn, at about 4:15 P.M., December 18, 1945, on Route No. 67, from Florence to Leghorn.

Vehicle was driven by Augusto Salvatori, authorized driver for Genio Civile, Italian Ministry of Public Works.

It was raining strongly and road was very slippery. As a precaution against skidding the driver proceeded at maximum of 20 miles per hour in second gear and used front-wheel transmission in low.

For some unknown reason the vehicle went out of control, proceeded diagonally across the road and crashed into a tree off the side of the road. Evidently the front-wheel transmission was not synchronized with the back-wheel transmission, and could not be brought into control by the driver. This is the only reasonable explanation for the accident. There was no other vehicle within sight in front of us and, fortunately, no vehicle coming the other way. Therefore, there was no reason to apply the brakes suddenly which would have caused skidding.

I, the undersigned, to whom the above vehicle was assigned against Memorandum Receipt No.320 for trip to North Italy, was sitting next to driver when accident occurred. I sustained injuries necessitating four stitches over my left eyebrow, given first aid at an Italian hospital not far from scene of accident, and was hospitalized for three days at 64th Station Hospital, U.S. Army, Leghorn. The driver sustained minor bruises, given first aid at said Italian hospital and also cared for at said 64th Station Hospital.

Declassified E.O. 12356 Section 3.3/NND No. 785019

At 3485 Maintenance Depot, Leghorn, the above Jeep was considered economically beyond repair and condemned as salvage to O.T./V.P. No.4. Attached hereto is Tally-In from said salvage dump.

MEMORANDUM

TO : Fay O. Griffith, Highway Equipment Officer

FROM : Joseph W. Hughes, FEA Administrative Officer

SUBJECT : Theft of Jeep 'Angela' USA No. 201126275

1. The jeep was parked at 1815 hrs. on Monday, 2 December 1945, by Mr. Joseph W. Hughes on Via Veneto immediately opposite the main entrance of the Allied Commission Headquarters building. The steering wheel was secured by a steel chain and locked with and "Illinois" padlock. The night was very rainy and visibility from the A. C. Building entrance was poor.

2. By pre-arrangement with Mr. Hughes, Mr. Judson Allen came at 1915 hrs. to take the jeep home but could not find it. He telephoned to Mr. Hughes to confirm that the jeep had actually been left at the agreed parking place. It had been left for Mr. Allen, therefore Mr. Allen called a taxi in which to pick up Mr. Hughes at the apartment. They reached the American Military Police to report the theft at about 2030 hrs.

SUBJECT: Stolen Jeep No. 193, U.S. No. 20112627, Engine No. 19986[illegible]

TO : Maj. N. W. Hyland
Chief, Public Works Section

FROM : F. C. Griffith
Highway Equipment Officer

1. Attached are statements concerning the loss of the above jeep which was stolen while in the use of Mr. Joseph W. Hughes, FWA Administrative Officer, on 2 December 1945.

2. Please note that precautions against theft which were at that time considered adequate by Allied Commission and which were in common practice were fully taken.

3. It is recommended that these statements together with any information you wish to add or any recommendations you wish to make be forwarded to the Finance Sub-Commission, who will, from information we have received from the Transportation Sub-Commission, bill the Ministry of Transportation for the jeep. This jeep was not a military vehicle but was shipped to Italy for civilian use and operated under the same ruling governing the use of vehicles by the Transportation Sub-Commission for Allied Commission in that such vehicles were the property of the Italian Government but were operated under the control of Allied Commission agencies.
