2. It is impossible for boots to be supplied to the Società Elettrica Sarda in Sardinia. Our only small source of supply was from the American Army Salvage, which has now left Sardinia.
3. Numerous requisitions for tyres and tubes have been submitted from this Headquarters and none of these have been met. Requisitions are to be sent in on the 1st and 15th of the month.
4. When these requisitions are met, they will have to meet many claims for tyres and tubes. The Società Elettrica Sarda are on a high priority but they are not on the top of the list.
