Ricevo in questo momento una richiesta da un mio associato di Ballestrate e data l'urgenza della richiesta mi permetto di inoltrare subito alla vostra commissione la domanda. Per gli impianti dello stabilimento situato a Balestrate (Palermo) occorrono 100 tonnellate di cemento da assegnare sul nominativo di Valenti Luciano.

Vogliate prego tener in considerazione l'urgenza della domanda poiché apparentemente i lavori sono in corso e la mancanza di cemento tiene fermi gli operai. Dati i momenti alquanto difficile in Sicilia si vorrebbe evitare il prolungamento di questa sosta.

Vi prego, per qualsiasi informazione occorrente, chiamarmi al mio Ufficio di Roma.

Distinti saluti.

To : Public Works and Utilities Sub-Commission

Subject : Transport of Cement

Reference your letter of 24 March 45.

The transports of cement scheduled by Transportation Sub-Commission for the week ending 1 April have been regularly carried out.

The system used at present for the allocation of railway waggons makes it impossible to use waggons allocated to one addressee for shipments to another one, since the allocation of waggons is made nominally.

Truly yours,

TRASPORTI CEMENTO = I trasporti di cemento programmati dalla Transportation S/C. per la settimana dal 26/3 al 1°/4 u.s. hanno avuto regolare corso.

Con l'attuale sistema in uso per l'assegnazione dei vagoni ferroviari, non è possibile utilizzare vagoni assegnati ad un destinatario per un'altra destinazione, in quanto che l'assegnazione dei vagoni viene fatta nominativamente.

Gradite distinti saluti.

Reference your letter of 20 March 45.

A deduction of 5% for waste must be calculated from the 1600 bags for Ugo Crova Firm, so that the remainder of the first allotment of bags sent to us by you amounts now to 60 bags.

Consequently, after the shipment to Pastore Firm (2100 bags) your entry should be debited with 40 bags.

Sui 1600 sacchi per la ditta Ing. Ugo Croca dovete anche considerare la deduzione del 5% per sfraso, che porta a N. 60 la rimanenza della primapartita sacchi da Voi inviatàci.

Di conseguenza, dopo la spedizione alla ditta Pastore (N. 2100 sacchi) la Vostra partita resterebbe debitrice di N. 40 sacchi.

Gradite distinti ossequi.
