Con riferimento a fav. Vostra 20/3 u.s.

Sui 1600 sacchi per la Ditta Ing. Ugo Crova dovete anche considerare la deduzione del 5% per sfraso, che porta a N.60 la rimanenza della prima partita sacchi da Voi inviataci.

Di conseguenza, dopo la spedizione alla Ditta Pastore (N.2100 sacchi) la Vostra partita resterebbe debitrice di N.40 sacchi.

Gradite distinti ossequi.

APQ 394

A fav. Vostra 31/3 u.s.

Abbiamo regolarmente ricevuto i N.5000 sacchi di carta vuoti inviati al nostro stabilimento di Colleferro Segni.

Avvertiamo però che il contenuto dei medesimi è risultato di Kg.45 ciascuno e non di Kg.50.

Pertanto per la prima spedizione effettuata alla Ditta Bellomo Vito a Bari (50 tonnellate) sono occorsi N.1110 sacchi oltre il 5% per sfraso: complessivamente N.1165 sacchi.

Mentre ci riserviamo darVi notizia dell'ulteriore saccheria impiegata per l'evasione degli ordini: Bellomo per Manduria, Ing. Masi e Martignano Pasquale, Vi preghiamo tener conto della minore capienza dei medesimi per inviarcene un numero maggiore.

Gradite distinti saluti.

1. Reference conversation Capt. Clinging-Maj. Price, it is confirmed that the following acceptances are still to be complied with:

Your Bid No.	5044- Piazzesi,	week 12/2 - 18/2	-	2	Wagon
" " "	5045- S.A.I.M.,	" " "	"	5	"
" " "	5046- Inesona,	" " "	"	7	"
" " "	5047- Marrocco,	" " "	"	2	"
" " "	6630- Crova	" 26/2 4/3	"	1	"
" " "	7457- Ianico	" 5/3 11/3	"	5	"
" " "	6141- URS	" 12/3 18/3	"	1	"

2. We have interviewed the Director of Colleferro Cement Works and we have been assured that all wagons allocated weekly by Station Master in Colleferro sidings have been used for our Cement, but these allocations are not in accordance with your acceptances.
3. The position is still critical since the total of 8 wagons per day, suggested to be forwarded at Calce Cementi sidings to clear our outstanding bids, were not put into Colleferro.
4. Will you please do all you can to provide rail wagons for the A/M acceptances so that the arrears can be picked up and leave the way clear for bids to follow.

Subject : Paper Cement Bags

To : Director of Engineer Production and
Stores
A.F.H.Q.

1. In connection with the electrical rehabilitation a large amount of cement is used and we again find it difficult to provide paper bags, where possible we ask the Companies to supply their own bags but this is not always possible.

2. Would you be kind enough to release to us 5,000 cement bags to help us over the present shortage, it is hoped that a supply will be made available to us in the near future.

For the Chief Commissioner.

1. Further to this office Memo 906/PWU dated 28/12/44 we shall be glad if you will arrange with the Italian Ministry of Industry Commerce and Labour to allow this Division to draw from Calce e Cementi -Colleferro :

1.000 Tons Cement
each month until further notice.

2. It is suggested that you make this quantity available and that it be left to the discretion of Public Works and Utilities Sub Commission to dispose of the cement to the works in order of priority and need.

3. As the cement is required, it is proposed to issue a letter to the Company concerned to collect and arrange payment direct with Calce e Cementi after which this Sub Commission will arrange rail transportation if necessary.

4. It is considered that this arrangement will save a great deal of time and it will be known that the cement is being used on jobs in order of priority.
